The Urban Building is on the **A412** as you drive through Slough and is easy to spot as it is a tall grey and glass building right next door to a church with a tall spire.

The office is approx. ten minutes' walk from **Slough railway station** (served by local services operated by First Great Western from Paddington to Reading and mainline services on the Great Western line) and between fifteen and twenty minutes by taxi from **Heathrow airport**.

**Please note that there is no car parking on site. We recommend you travel by train.**

## By road

From the M4 you can reach the building from Junction 5. **From Junction 5** take the A4 London Road towards Slough. After 2 miles turn left onto the A412 South. At the next roundabout turn right to stay on the A412. You will soon see the Urban Building up ahead on the right hand side of the road.
